

Central Florida Council
District Training Codes

(Revised: 7.21.03)

District Training Codes					
For "Account Numbers"					
Canaveral (7)	403	Kings Road (11)	603	Rolling Hills (9)	503
Eagle (31)	683	Lake (2)	153	Sand Lake (27)	643
Fort Gatlin (26)	623	Little Econ (1)	103	Seminole Trails (10)	553
Halifax (4)	253	Manatee (5)	303	Tuscarora (3)	203
Ivanhoe (6)	353	Osceola (8)	453	Wekiwa (28)	663
Cherokee (29)		Ocean View (32)	693	Tomoko (30)	673

“Account Numbers” are very important in the Council’s efforts to accurately track the flow of fees and expenses associated with an event or training course. It is therefore important to include an accurate account number on any (all) registration forms that involve the accounting of fees or expenses. It is also important to get those registration forms approved by your District Executive (DE) prior to their distribution or publication. Please use the number sequence outlined below:

Income account for district events always have the following numbers **1-6801-???-20**

Expense account for districts events always have the following numbers **1-8103-???-20**

The ??? will be one of the **District Training Codes** listed above assigned to your district.

Example: 1-6801-**353**-20 is the income account number for **Ivanhoe’s** Training Account

Example: 1-8103-**353**-20 is the expense account number for **Ivanhoe’s** Training Account

(U. of S.-016; TDC-055; JLTC-068; SR-584-907; SR-595-900; General Prog.-010)

If the **Training** has a Fee associated with it then the above accounting code will need to have the following Suffixes.

For **BALOO** Training 1-6801-???-20 **B** = Income

1-8103-???-20 **B** = Expenses

For **Outdoor Leader Skills** 1-6801-???-20 **O** = Income

1-8103-???-20 **O** = Expenses

For **Webelos Outdoor** (COLT) 1-6801-???-20 **W** = Income

1-8103-???-20 **W** = Expenses

For any **other** Training course that has a Fee - Use **Z**

If you have any questions, please contact Program Services at the Council Service Center (407) 889-4403

(U. of S.-016; TDC-055; JLTC-068; SR-584-907; SR-595-900; General Prog.-010)
